# Partner Clubs & Grassroots Network Tracker

*Blank printable template · Personal bridges only — no formal organizational partnerships*

## Club Roster

One row per Republican club. Primary Contact is the single liaison (usually the president). Update Last Contact Date and Next Action after every touchpoint.

## How to Use This Tracker

Simple tracking for clubs and the personal bridges their members already have in the community. Frame: Grassroots Conversations — Return to the original social media, neighbors talking to neighbors. Variations: “neighbors talking to neighbors — next neighbor, next person” and “neighbors covering neighbors.” Pair with the “We are the they” close.

### Club Roster

- One row per Republican club.
- Primary Contact is the single liaison (usually the president).
- Update Last Contact Date and Next Action after every touchpoint.
- Community Groups Identified? = Yes once the club has named 3–5 groups and bridge members.

### Grassroots Bridges

- One row per bridge member / grassroots group combination.
- Status examples: Identified / Materials Delivered / Active / Follow-up Needed / Completed.
- Outcome / Commitment captures the “next neighbor / next person” or voter registration action.
- Follow-up Date drives the next contact.

### Cadence

- One volunteer keeps the master copy and updates it after each liaison contact.
- Clubs may keep a short local list and report monthly.

### Success indicators

- Every club has a primary liaison and has identified at least one grassroots group.
- Bridge members are using the conversation model (“We are the they”).
- Personal commitments are recorded and followed up.

Keep filled-in copies private. They hold people’s contact details.

**We are the they.**
